The Glendale Sentell Families

Census Enumerators listed names and dates as they understood the registrant who oft times had little or no education which led to numerous errors in names, dates and ages. I have tried to copy the census as recorded, where errors occur, I apologize. Death certificates are not available in Spartanburg for years before 1917 and Obituaries have not been put on microfilm for the years 1924 through 1929.

Writer's comments; The Sentells were employees of the Glendale Mills. Somewhat reserved in socializing, they were not well known in the community.
