The Family of Boyce and Hattie Bagwell

Census Enumerators listed names and dates as they understood the registrant who oft times had little or no education which led to numerous errors in names, dates and ages. I have tried to copy the census as recorded, where errors occur, I apologize. Death certificates are not available in Spartanburg for years before 1917 and Obituaries have not been put on microfilm for the years 1924 through 1929.

Writer's comments; I have known all of the Boyce and Hattie Bagwell family. They were a happy, congenial family. Most were employees of <u>Glendale Mills</u> at some point in their life and were good workers. My appreciation to Mrs. David (Emma) Jett for helping me pull these names together.
