## How My Life Intertwines with Glendale, South Carolina

My father, Harold Jerome Pruitt was born on July 20, 1935 to Silas Columbus and O'neil (Brannon) Pruitt. He was known to many as "Buddy". Dad told me that "Buddy" came from big sister, Virginia Earlene, when asked if she wanted a brother or sister, she replied "I just want a buddy". Later Buddy got shortened to "Bud". Later there were two other siblings Susan Rebecca (Becky) and Daniel Barry (Danny).

Virginia (Aunt Ginny) has seven children, Rebecca (Aunt Becky) has four children. Dad has two children (me, Cindy, and my brother Ric. Daniel (Uncle Danny) had one son.

At the age of 18 (November 23, 1953) Dad enlisted in the United States Air Force as a Jet Engine Mechanic. He trained at Chanute AFB IL, Lackland AFB TX, Sheppard AFB TX, Amarillo AFB TX, Wethersfield CT and Farmingdale NY during his career.

During his 22.5 years in the Air Force he spent many of those years in foreign countries (without his family). Some of those countries: Goose Bay Labrador (1954), Aviano Italy (1957), Guantanamo Bay Cuba (1962), Moron Spain (1963), Turkey (1964), Takhli Thailand (1965), Yokota Japan (1965), Thailand (Laos, Cambodia, Vietnam) (1966-1967), Kunsan Korea (1968), Guang Ju Korea (1969), Kunsan Korea (1969) and Ubon Thailand (1972).

He did get to visit a few other countries like Philippines, Hawaii, Germany, and I'm sure a lot of others I don't know about.

On July 20, 1956, he took a wonderful woman for his bride, Jan Carole Linder, from the Cannon Campgrounds area in Spartanburg, SC. Her parents were Roland and Guyula Linder. She was a very strong woman having to be both mother and father many of the years that my father was serving his country. I (Cynthia "Cindy" Pruitt) was born in November 1957 at Myrtle Beach Air Force Base SC. Dad was transferred to Florida (Hulburt Field and then Eglin AFB) where my only sibling was born at Eglin AFB, FL on October 1960. (Richard L. Pruitt).

Mom was the "mother" of the neighborhood, you'd think she had a 100 different children, all our friends called her "mom". She loved everyone and never met a stranger. She worked really hard at being the mom and dad when dad was serving his country. She went to every baseball, softball, football, basketball, tumbling class, ballet class, parents meeting and PTA, all the girl and boy scout stuff you can imagine. If Ric or I was doing something – she was there (and taking pictures of course). Pictures were her hobby – I'm glad it was these days. There's a picture of everything! Mom lost her battle with Cancer on Jan 30, 1985. She was my best friend, go to person and sounding board – I miss her tremendously.

Dad loved camping, fishing, gardening, wood working, building things and cooking. He was well known for his hushpuppies and barbeque pig. He also was the man that never met a stranger, always willing to help anyone that needed it and would give you the shirt off his back. He was never one to give unwanted advice, but when you asked it was time for you to listen! He never led me the wrong way. He was 110% committed to the USAF...he contacted the Air Force recruiters when 9/11 happened in 2001. He told them he'd do anything they needed to help, if it was nothing but peeling potatoes! (he was 66 then) - Now that is dedication. On December 13, 2001 we lost him to heart failure. He was my inspiration, teacher and friend. I miss his laugh, smile and warm hugs.

I enjoyed sharing my family with you... I hope you enjoyed it as well.
