## **More Glendale Crocker Families**

Census Enumerators listed names and dates as they understood the registrant who oft times had little or no education which led to numerous errors in names, dates and ages. I have tried to copy the census as recorded, where errors occur, I apologize. Death certificates are not available in Spartanburg for years before 1917 and Obituaries have not been put on microfilm for the years 1924 through 1929.

Writer's comments; unfortunately most of these families lived in <u>Glendale</u> before my day. I came to only know Clara Bagwell Crocker well. She was a kind, pleasant lady to be around. She lived with her brother who operated a small store close to my home. I also knew Boyce and James Roland's families but not well enough to make any comments.
